Carry on Reading!

Ways to do this from home (free of charge)

- Join Lancashire Libraries by completing [this form](#) during lockdown membership numbers and PINs are being sent by email – make sure to include one in your application. Cards will be posted once staffing is back to normal. This service is in high demand at the moment.

If you are already a member of LCC libraries

- Download the BorrowBox app from the App store
- Once you receive your library card and your 4 digit PIN through the post – click on the app and insert:

Library: Lancashire County Council
Library Services

Borrower Number/ID: 14 digit
number on back of library card

PIN: 4 digit number sent to you
through post

Your 4 digit PIN may revert to the year of your birth if not been used for a while – e.g. 2006 – you can change it again in settings once you are logged in.

This will synchronise your library account with the ebook/audiobook catalogue and you are ready to download straight to your device.

You may borrow 4 audiobooks and 4 ebooks at a time. They will expire and return automatically after 14 days. Items may be reserved if already out on loan.

Once a member you can also access online learning [here](#).
