

THE HOLLINS

1st November 2020

Dear Parents/Carers

We are looking forward to welcoming all our pupils back following the half term break. I hope you have all been able to rest up and are ready for the challenges to come.

As usual we want to minimise the risk to pupils, families and staff so I am asking for your cooperation in meeting the following expectations.

- Quite a few members of our community have been tested positive and therefore we expect masks to be worn by everyone in communal areas. We also strongly encourage pupils to wear masks in the classroom as well.
- Pupils' hands sanitised by OUR sanitiser when coming into school to ensure the correct hygiene strength.
- Windows will be slightly open in classrooms to ensure adequate ventilation so please wear a number of layers.
- Being outside is preferable during breaks and lunches so bring a warm coat.
- Encouraging pupils to follow our expectations with regards to behaviour and attitude – anyone fighting against our expectations is a danger to our community.

Thank you, in advance, for your support.

Yours sincerely,

Steve Campbell
Headteacher
